**DIVINE REVELATION  
AND DESCRIPTIONS OF MAN  
IN THE QURAN**

إِنَّ فِي خَلْقِ السَّمَوَاتِ وَالْأَرْضِ وَأَخْتِلَافِ اللَّيْلِ وَالنَّهَارِ  
وَالْفُلْكِ الَّتِي تَجْرِي فِي الْبَحْرِ بِمَا يَنْفَعُ النَّاسَ وَمَا أَنْزَلَ اللَّهُ  
مِنَ السَّمَاءِ مِنْ مَّاءٍ فَأَحْيَا بِهِ الْأَرْضَ بَعْدَ مَوْتِهَا وَبَثَّ فِيهَا  
مِنْ كُلِّ دَابَّةٍ وَتَصْرِيفِ الرِّيْحِ وَالسَّحَابِ الْمُسَخَّرِ بَيْنَ  
السَّمَاءِ وَالْأَرْضِ لآيَاتٍ لِقَوْمٍ يَعْقِلُونَ

[البقرة: ١٦٤]

And [yet], among the people are those who take other than Allāh as equals [to Him]. They love them as they [should] love Allāh. But those who believe are stronger in love for Allāh. And if only they who have wronged would consider [that] when they see the punishment, [they will be certain] that all power belongs to Allāh and that Allāh is severe in punishment.entre el cielo y la tierra; en todo ello hay pruebas (de la unicidad de Al-lah) para quienes razonan.

Quran (2: 164)
